Re: Your Research Proposal No. 472

Expression of Genetic Information of Escherichia Coli in Bacillus  
Subtilis by Transformation.

---

Dear Dr. Elkana;

We regret to inform you that the United States-Israel Binational  
Science Foundation is unable to support your above research proposal.

We would like to point out that we consider your project to be of good  
scientific merit. Nevertheless, because of the limited funds at our  
disposal we are unable to support your proposal, as well as many  
other good proposals.

Yours sincerely,

DR. ZEEV ROTEM  
Executive Director
