Dear Joshua,

Under the same cover, I am sending you a copy of a letter of Dr. B. Cohen of the Institute for Scientific Information requesting my commentary on my paper, Proc. Natl. Acad. Sci. USA, 46, 57-64, 1960, for Citation Classic and a copy of my commentary.

Although it was 23 years ago, I do remember quite vividly my pleasant experiences during my stay in your laboratory. By taking this opportunity I would like to thank you very much for your guidance given to me.

With very best wishes,

Y. Hirota
