

March
February 5, 1974

Mr. David Davies, Editor
Nature
Editorial and Publishing Offices
MacMillan Journals Limited
Little Essex Street
London WC2R 3LF, England

Dear Mr. Davies:

I am pleased that you should write to me about my submitting a paper for the special issue of Nature on April 1974 to mark the 21st anniversary of the Watson and Crick paper on DNA.

I am now writing a paper, to which I have assigned the title "The Molecular Basis of Biological Specificity". I propose to send it to you before the end of ~~February~~ *10th of March*.

Sincerely,

LP:dm
