Dear Dr. Lederberg:

Thank you for the reprints of your recent publications. We do appreciate your thinking of us and letting us follow your work this way. Thanks too for the kind acknowledgement of our small part in the Cold Springs Harbor Symposim.

Mr. Benham is on vacation with his family in the Michigan woods this year, taking extra time to make up for the vacation he didn't have last year. I shall save the reprints for his return since "he is now getting away from it all".

Sincerely,

Isabelle Havens
