MAY 30 1987

Thank you for your prompt response. In my correspondence with C. Darlington:

It seems very unlikely that it would be feasible, but by all means please do ask Mrs. Darlington -- but not to go to any large trouble.

It is probably preferable to look for the original ms. with ED’s 400 (?) corrections - mentioned in this correspondence. (You may deposit all that with C. ED’s papers, as you think best.)

Sincerely,

[Signature]
