Prof. Joshua Lederberg  
Department of Genetics  
College of Agriculture  
The University of Wisconsin  
Madison 6, Wisconsin

Dear Prof. Lederberg:

Sorry we haven't much data on the points you mention in your letter of September first; however, I enclose some reprints which cover the work which has been done here.

Please let me know if we can be of any further help to you.

Sincerely,

Gladys L. Hobby, Ph. D.
