POST OFFICE BOX 7 Y
OAK RIDGE, TENN.
July 27, 1954

Dr. Joshua Lederberg
Department of Genetics
University of Wisconsin
Madison 6, Wisconsin

Dear Doctor Lederberg:

I just want to remind you that we are still interested in getting someone with a background in bacterial genetics, especially if Larry Morse should not be available by the end of next school year.

We would greatly appreciate your keeping us in mind.

Best personal regards,

A handwritten signature in cursive script, appearing to read "Alex. Hollaender".
