

June 15, 1948.

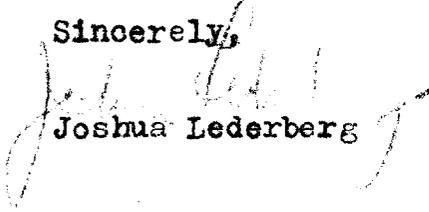

Dr. H. H. Strandkov,  
Dept. Zoology,  
University of Chicago.

Dear Strandkov,

Just to confirm that the University's reimbursement of my expenses has come through. I also want to record my sincere appreciation for the hospitality which your department and the Bacteriology group showed us.

My wife joins me in extending our best regards,

Sincerely,

  
Joshua Lederberg
