Dear Mr. Lederberg:

Thank you for your letter and your generous personal comment. I wish very much it might be possible for you and me to get together on one of my trips to California. They are necessarily on a last-minute basis and for a very short period. In any event, if you would care to write to me further along the lines suggested in your letter, I will be happy to hear from you.

With best wishes,

Sincerely yours,

THOMAS H. KUCHEL
