Dear Joshua:

I am sending along two more references which belong to your previous search 60164. These were obtained through search of the 1966 tapes — over 40,000 citations.

I am also sending along 10 references which pertain to your new search 60172. These are also from the 1966 tapes. We will have to wait to run the 1964-65 portion of this search until a suitable batch comes up — hopefully in about two weeks.

With all the best.

Yours aye,

Frank B. Rogers, M. D.
