Dear Josh:

I would like to invite you to submit a paper for publication in the first (January, 1977) issue of GENE. Enclosed are the preliminary instructions for the authors. The manuscript should be sent by September, 1976 to any of the editors listed in the instructions. I would appreciate it greatly if you could accept my invitation to have your paper published in one of the first issues, since you are a real leader in the field of recombinant nucleic acid molecules.

With all best wishes,

Sincerely yours,

Waclaw Szybalski
Professor of Oncology
