New York — Esther:

The enclosed* field sheet plans are changed because Reg and Barbara want a little time in Paris on the way to S. and can't get their m.p. in time to go both to London and Paris. They'll have to come after flight from London.

Sorry for the unavoidable change in schedule — it couldn't be helped. Still sooner not to be under way in the flight — wish we left Sin at 5, 10 p.m. on 7th.
I'm sending a copy
of this letter to Ruth.

Hope you can
get together.

See you soon!

End.
