Tower Building
Governor Nelson A. Rockefeller
Empire State Plaza
Albany, New York 12237

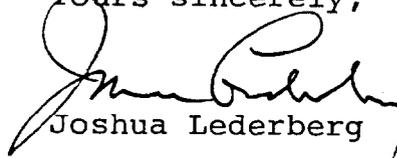

Dear Dr. Herdman:

In answer to Dr. Axelrod's memorandum dated March 12, 1979, I hereby apply on behalf of The Rockefeller University for a certificate to engage in recombinant DNA research and activity.

I certify that recombinant DNA research at this University will be conducted in compliance with the requirements of Article 32-A of the Public Health Law (Chapter 488, Laws of 1978) and of the Amendment to Subchapter E, Chapter II, Title 10 (Health) of the Official Compilation of Codes, Rules and Regulations of the State of New York, which has been promulgated February 21, 1979.

We have enclosed copies of documents received from NIH and NSF with respect to the recombinant DNA projects submitted to these Federal agencies. Also enclosed is a roster of the Institutional Biosafety Committee (IBC) which has been approved by NIH.

Yours sincerely,

Joshua Lederberg
