Dear Tosh & Esther,

Hope you had a nice time in Nikko. Yesterday I sent a letter to you both. I am enclosing the M.S. here. Please make all the suggestions on the opposite page, and the desired parts to be included in discussion. I shall ~~try~~ finish this and send it to you to Palo Alto from India, and also other papers.

I shall send you the silk samples from both Madras & Delhi. O.K. ed samples, may be sent to my home address in ERODE. If you think of anything else please let me know. In sending the M.S. to Delhi address please include Indian Agricultural Research Institute.

I shall be in Tel Aviv. on 20th-21st of June. I saw Hivotar Institute and labs. Things are fine.

Thanks for everything

Gau
