Mr. Rodney W. Nichols,
Executive Vice President
Rockefeller University
1230 York Avenue
New York, N. Y. 10021

Dear Rod:

As you may be aware, the Massachusetts General Hospital released the full text of the agreement with Hoechst on Friday last. This was done with the knowledge and approval of Hoechst. Since the contract has now been released to the press, I see no reason why you should not have a copy yourself. Accordingly, I am enclosing one from my files.

Best wishes.

Sincerely,

William H. Griesar
