Dear Josh:

During the last meeting, you passed a resolution outlining the relationship between the NCAB and the divisional Boards of Scientific Counselors (BSC) which included an invitation to attend BSC meetings of your choice.

I'd like to invite you personally to attend such meetings. I am sure the Division Directors and their board chairpersons and members would be happy to welcome members of the National Cancer Advisory Board and/or the President's Cancer Panel at the various divisional boards. Please let us know if we can facilitate such visits for you.

Sincerely yours,
