

University Apartments E304

Bloomington, Indiana

April 10, 1952

Dear Dr. Lederberg:

In regard to the sole reservation I raised in my acceptance of your offer of February 19, I may now report that I did not receive a fellowship from the National Science Foundation, and I therefore fully and unconditionally accept your offer. Thank you again for making it; I am very much looking forward to working with you.

Sincerely yours,

*Helen Louise Byers*
