To: Carl Ritter, Public Information

Joshua Lederberg

From: Lynn Rusten

Do either of you feel any need to respond to this letter which came by certified mail today? It does raise a question as to past Academy activities.

How could they get!

Certainly it is not NAS’s part to do his detective work. I personally have no information on who was funded for work on “synthetic agents” — I certainly was eager to forewarn that kind of technology race. He can get everything about Detwiler’s Tumor program via FOI.
