You may be interested in what came 
from Egypt. (From a friend) 
Almost certainly a trouble from 
high places in Egypt.

Key of course is clarification. 
It is an acknowledgment of 
latest message from the 
intelligence service.

Can you ask the boys to talk some 
more about (or direct them) 
to reinforce counter-active 
damage—

Can you talk about the result of 
terrorism like in CUB? FBI has 

do that alone. There were reasonable 
start at a network (P.O. #5 FBI) 

during Desert Storm. If it’s been re-

vived it that would be only very recently.
