DEPARTMENT OF GENETICS
Professor Joshua Lederberg

Mr. John H. Sullivan
Committee on Foreign Affairs
House of Representatives

AUG 18 1970

May I ask the favor of ~~information~~ (~~literature~~
~~references~~, reprints) on the following subject:

Hearings on ACD Amendments 1970 (HR 16200).

- - - -
(Even having read him before, Mr. Gross(remarks
on the floor 4/28/70 left me dumfounded!)

You and Mr. Zablocki may be interested in the
enclosed, which are in large part a result of
my participation in the CBW hearings last December.
I hope the Senate will promptly ratify the Proto-
col now without Much appreciated,
making a lot of Sincerely,
possibly justifiable
fuss, which, however can
only impede an agreement
at the CCD.
