

COS417/2.25

(hand-written)

Dear Miss Campbell,

To this I have replied as follows:

Dear G.

Could I see the findings of the Board? Or could I know the specific charges against Miss Campbell?

The cruel thing is to ask her to leave under circumstances that implicate her character for honesty.

The matter cannot possibly rest where it is. Have the specific charges been sent to her?"

Yours etc.

I think you should consult Mr. Astor or Mr. Donald MacMaster.

Did they say definitely why you were removed.

Please return. W.O.
