Dear Sir William,

In acknowledging the receipt of your communication of October 16, 1916, I beg to state that your services as Consultant to Canadian Military Hospitals in England have been greatly valued and appreciated by all members of the Canadian Medical Service. Your association with the Canadian Army Medical Corps, I can assure you, is most helpful to the Corps.

I would respectfully urge, therefore, that your resignation be not proceeded with and that you continue to render your valuable services to the Corps.

Yours very truly,
Murray Maclaren.
