

COS 417/2.42

W.O. to Col. H. A. Bruce.
Dec. 22nd (1916)

(no address)

(hand-written)

Dear B.

Sorry for the delay - unavoidable. The letters and telegrams are all at the Offices - St. James Sq., and 86 Strand (1) to you, (2) to Hughes, (3) to Jones and to Matron-in-Chief. I should like them all published. Will you have them copied and sent to me.

At present doubtful if Miss Campbell's case should come in? I am writing to her and have written to Perley about it, to whom of course as a matter of courtesy the correspondence should be submitted. No apology has been I think offered to Miss C., public or private. Should not this be done. Her lawyer, M---, had a letter stating that there were no charges against her. It would be nice if you, or whoever was the chairman of the Committee would write her a brief letter. She was darned badly treated.

Yours sincerely,

Wm. Osler.
