(typewritten)

Dear Sir William Osler,

I am in receipt of your letter of the 21st instant, saying that Colonel Bruce would like to have the correspondence between you and him published. I am afraid that this is a question which I cannot help you decide, as I have never seen any of the letters to which you refer, so that I think you will have to make up your mind about it yourself. Your suggestion about consulting Miss Campbell seems to be quite in order. I expect to receive to-day the Report of the Board of Officers concerning the Medical Service, and then will decide as soon as possible what action it is best to take.

Wishing you and Lady Osler the Compliments of the Season,

Yours sincerely,

George H. Perley.
