School of Medicine,
New Orleans, La. 70112.

Dear Dr. Reynolds,

We would certainly be very pleased to have you attend the conference in June and my offer to pay your expenses stands. I think a note on the mongols would be good for the final publication and if time permits you could present it also. The other topic you suggest would be worth working in too. In brief, we will have both for the proceedings and for presentation if time permits.

Best regards.

Sincerely,

Victor A. McKusick, M.D.
