As indicated in the June 17, 1968 issue of News, Information and Data, the attached publication has been specially edited and printed to include all testimony presented and materials submitted at the House Hearings* in support of legislation amending and extending Public Law 89-239 which established Regional Medical Programs in 1965.

All testimony and material included is indexed on the CONTENTS page. However, of particular interest will be some of the additional information submitted for the record including...

- Report on funded projects and activities in first 12 Operating Programs. 46-61
- Television, radio and telephone networks for continuing education 61-62
- Status of Programs as of March 30, 1968 67-69
- Statement on efforts directed against the health problems of the inner city 73-75
- Statement on operational projects affecting rural areas 76-84
- Statement on effectiveness of Programs 84-85

*Subcommittee on Public Health and Welfare of the Committee on Interstate and Foreign Commerce - March 26-27, 1968. The Report of this committee has been published and announcement of its availability will be made in a forthcoming issue of News, Information and Data.
