Dear Fred:

This is to inform you that Mr. Abdiel Adames was granted the scholarship he requested from the O.A.S. to pursue studies toward his Ph.D. at U.C.L.A.

We are all very aware that your timely intervention was decisive in orienting Adames' application through the proper channels so that it could be justly evaluated. Adames joins me in expressing to you our heartfelt thanks for your valuable help and I am sure that all of us can feel confident that he will live up to our high expectations of him.

With best personal regards, I remain as ever,

Sincerely yours,

Pedro Galindo
